

ULTRACASTER

YES, WE'VE REINVENTED THE WHEEL.

When it comes to overall energy efficiency and comfort, every detail counts — especially where the rubber hits the road.

This is why we engineered the Newton Ultracaster for reduced rolling resistance, giving you greater speed, comfort and mobility. Plus, it's a Newton component, which means sleek design and flawless functionality. Newton Ultracasters. Available in durable and lightweight composite or aluminum.

Composite or 6061 T6 aluminum.

4" x 1.5"
5" x 1.5"
6" x 1.5"

Compare Newton Ultracasters to the leading brand

10% lighter — enhanced mobility
11% more rebound — improved comfort
16% more tear resistance — greater durability

The Newton Story

Newton high-performance wheelchair components are born from our impatience with the status quo. Every Newton component represents a total rethink of what's possible. High-end performance and design. Innovative technology and materials. And head-turning aesthetics. A single glance tells you it's a Newton component. A single test drive confirms it. Upgrade your ride. Get Newton.

Composite Newton Ultracaster
9 times more durable than the leading brand.

Aluminum Newton Ultracaster
Innovative bearing sleeve for less maintenance and higher rolling efficiency.
