

GRADE AID

**THE ALL-IN-ONE NEWTON GRADE AID WHEELOCK.
NOW EVERYTHING ELSE IS OBSOLETE.**

Only Newton could pack so much convenience and functionality into such an ingenious device.

The remarkable Newton Grade Aid Wheelock not only gives you wheelock, freewheel and grade aid functions in a single unit. It's also an incredible 30% lighter compared to industry-standard grade aids.

As you'd expect from Newton, we've totally reinvented an industry-standard device. It's now:

- **Safer to use. Low-profile wheelock design.** Automatically disengages before your thumb gets hurt
- **30% weight saving.** By requiring only one device, entire unit weighs 156 gm, vs. conventional 225 gm
- **More convenient.** Low handle height enables smooth and unobstructed side transfers
- **Ingenious locking mechanism.** Works first time, every time. No need to adjust and readjust

The Newton Story

Newton high-performance wheelchair components are born from our impatience with the status quo. Every Newton component represents a total rethink of what's possible. High-end performance and design. Innovative technology and materials. And head-turning aesthetics. A single glance tells you it's a Newton component. A single test drive confirms it. Upgrade your ride. Get Newton.
